## Police Officer Tra conducted In He

9-20-89  
r City's Industrial Park  
were closed to traffic a cou-  
days last week while police  
practiced maneuvering their  
s between markers, some-  
speeds as high as 58 mph.  
Don Messick, of the Provo  
Department, conducted the  
y, emergency vehicle opera-  
course, assisted by Officer

practiced apply to high-speed  
suits, the main objective wa  
them to develop skills  
maneuvering through tight p  
in order to arrive safely at  
emergency situation, he said.

"An officer's absolutely wort  
if he's dispatched to a call for  
and, because of his driving, i  
volved in an accident and fa
